

BRIDEGROOM GONE; WEDDING PUT OFF.

Consolidated Exchange Broker Mysteriously Disappears—Bride-to-Be Prostrated.

The wedding of Arthur Fountain Westervelt and Miss Florence W. Olmstead will not take place at the bride's home in Hackensack, N. J., next Wednesday evening, as had been arranged. The young woman's parents, Mr. and Mrs. L. H. Olmstead, yesterday recalled the wedding invitations.

RAISULI WANTS MORE THAN HE DID.

Instead of Freeing His Captives Yesterday He Enlarged His Demands.

WASHINGTON, June 15.—Raisuli has enlarged his demands. Consul Gummere tables from Tangier. He now demands complete authority over three provinces instead of two, and insists that

the United States and England guarantee that the ransom shall be paid and that the Sultan shall comply fully with the other terms of the agreement. Secretary Hay again called Mr. Gummere that this country will give Raisuli no guarantee of any kind and renewed the threat that if any harm comes to Mr. Ferdinand the bandit chief and his band will be held to a strict account by the United States.

shall be no recognition of brigandage by this country. The British Government, at first inclined to give a guarantee, now seems to have adopted the same position.

Men's \$1 negligee shirts at 55c.

THAT'S the unusual bargain story for Friday's selling. We could say \$1.50 shirts, for some houses have sold and are selling these shirts at \$1.50, but then as we never asked any more than \$1 we say they are \$1 shirts and the handsomest and smartest effects you've ever seen.

We're going to show them in the window and you just come down and see if you can resist these values. You cannot—neither can any one else who sees them.

10,800 men's negligee shirts made by two of the largest Philadelphia manufacturers, who have a national reputation for America's best \$1.00 shirts—were bought at a veritable sacrifice because we were able to handle the entire lot.

Here's the line-up of these negligee shirts: White mercerized cottons in beautifully matched pleated fronts, full size and length, split neckbands, placket sleeves, perfect quality, can be worn with your white linen cuffs, as there are no cuffs with these. Fancy all-over light weight, soft finish, very fine percale shirt in six neat, desirable patterns, white and black and white and blue, absolutely fast color, made in the best manner, plain fronts, matched laundered split neckbands; 300 dozen of these good quality of printed materials and matched plaited fronts.

It's an acknowledged fact that we sell more men's \$1 shirts than any other store in New York. That's why such an exceptional buying opportunity came to us unsolicited, and it's just the reason you can buy these perfect, stylish dollar shirts at 55c. Every shirt made in the best possible manner, hand-laundered, and has cuffs attached of the narrow, rounded corners, link type, or separate cuffs; patterns are both the light grounds, also the popular medium dark shades of grays, blues, etc. You can depend upon it that these shirts will go fast, because the value is unquestionable and the patterns are so stylish, smart and effective. Come and secure your choice—while they last—at 55c.

Women's shirt waist suits \$3.75

WE wish we could show you these suits just as they are; because if you see them as we see them you could hardly wait to get to this store to-morrow—but you can take our word for it that they are the handsomest and most stylish suits we've ever sold for the money.

\$3.75 They are not \$3.75 suits, though—not by any means—not one in the entire lot is worth less than \$6.00, and some stores, as you will readily admit, when you see them, sell these suits right along for \$7.50.

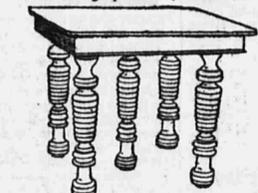

Sorry, but this is only a passing opportunity—only have 700 for Friday's selling, and you know by the past history of our sales they always draw a great crowd, and this sale, because of the unusual value and timely announcement, will be no exception to the rule.

Seven hundred handsome Shirt Waist Suits from a maker of strictly high-class goods—just fresh from the hands of the operator—bought a third less than regular price—individual styles to choose from—made from the better grade of materials—plain and lace trimmed—Friday at 3.75.

\$7.50 dining tables \$5.50 \$2.50 dining chairs \$1.65

THAT'S a bargain combination at Simpson Crawford Co. for Friday that's bound to interest Summer home furnishers or those fitting up small apartments.

Not only is there a great saving, but these handsome tables and chairs that are so much in demand at regular prices, for \$7.50 and \$2.50, are now at \$5.50 and \$1.65, respectively, and they are worthy to grace any dining-room.

Among others we have extension tables, highly polished golden oak, in richly carved heavy designs and severely straight Mission effects—some have shapely fluted legs, others are made with newest pedestal bases, a superior manner, finished and fitted in smooth-running slides; our special dining table (like cut), 5-ft. extension, in solid oak, highly polished; guaranteed construction.

The chairs are in genuine golden oak, heavy box frames, rubbed polish finish—closely woven glazed cane seats, very comfortable shaped backs.

10,000 sheer linen handkerchiefs less than half: 8c.

OTHER stores bought their handkerchiefs on the strength of the sheer daintiness and excellent quality of these and ask you 15c. and 20c. Simpson Crawford Co. took the samples—10,000 in this particular lot—and ask you 8c. They're all perfect or they couldn't have represented their handsome copies, for which you pay more than twice as much elsewhere.

The famous Belfast manufacturer uses pure linen in these handkerchiefs. But he doesn't depend on the samples for his profit, and sold them to us at less than cost to manufacture. Of course, the selection is more varied than the regular stock of any other store; for samples, you know, represent every dainty conceit.

You won't think that sale that began Monday, creating such a sensation, is over when you see the stir this assembly of 10,000 handkerchiefs at less than half price to-morrow will create. It's a great continuation of a colossal event.

8c. for all 15c. to 20c. handkerchiefs.

12 1/2 c. for 25c. to 50c. handkerchiefs.

Pure hemstitched, for men and woman—others have initials—great lot of sheer linen, narrow hemstitched handkerchiefs—also sheer hand-embroidered unlaundered handkerchiefs and hand-drawn hemstitched and tape-border handkerchiefs—beautiful goods. Also regular weight widths of hemstitching.

10,000 yards of natural pongee silks at 50c

THE silk sensation of the season—the selling to-morrow of 10,000 yards of 75c. natural pongee silks. Summer's favorite fabrics, for those smart, dressy shirt-waist suits at the phenomenal bargain price of 50c. Thousands of particular dressers will emphasize that assertion at Simpson Crawford Co.'s Friday, for it's an opportunity no woman can afford to miss.

50c When we say it's 75c. silk we mean that it never sells for less than that in any store, not to say anything about the higher price asked at many places. Think of 10,000 yards for one day's selling! Why, we'll have the greatest crowd that's gathered at a silk department in a long time. They know they cannot duplicate this lustrous finish, 27-inch fabric again this season at 50c., or a price anywhere near as low. It's so popular you must have a suit.

Remnants of seasonable 39c wash goods, 12 1/2c

THE sale thousands have been looking forward to starts to-morrow—a chance for all economical, smart dressers to choose from the season's daintiest fabrics at 12 1/2c.—not a single yard that sells regularly at less than 39c. Thousands of yards of remnants in lengths suitable for those bewitching Summer costumes.

There are plain and fancy Voiles, Silk Mulls, Knicker Suits, Silk-like Batiste, Linen Finish Canvas, Embroidered Swiss, Lawns, Satenes, Madras, Etonettes, &c. Take as much of the kind your taste suggests at 12 1/2c. a yard. Five other dainty Summer fabrics at about half regular prices.

12 1/2c. for fine 25c. or-gan-dies, white grounds with colored floral designs in pink, light blue, lavender, tan, etc. 15c. for 39c. mercerized chevot suitings—the correct material for shirt waist suits—light blue, pink, navy, green and black. 29c. for 50c. Dolly 10c. for 15c. canvas 25c. for 59c. am-broidered dotted in handsome floral light blue, cham-black in three dif-ferent size dots.
